October 2019

Dear Parents, Guardians and members of the Class of 2020:

Welcome again to your senior year. We hope to make this year special for you. I will email you with updates at first and then send you a text via the Remind app with important information. We are currently working on updating the website, so make sure to check there for updates and to register for our Remind app.

To make communication even easier, I have set up a senior Remind account for students. **Text the message @QMHS2020 to the number 810-10** and you will be signed up to receive text messages from me about all kinds of important senior events. **THIS IS AN EASY WAY FOR ME TO SEND YOU INFORMATION. PLEASE SIGN UP!**

This year we have about 290 seniors. Seniors will get their news from checking their Queens Metro emails, visiting the Senior Class Information link on the Queens Metropolitan High School website, texts from the Remind apps, morning announcements, or by stopping by room (2001) between classes periodically to check on senior information and events.

Graduation has been TENTATIVELY scheduled for June 26, 2020 at 12:00 PM at Christ the King High School.

Senior dues need to be paid in full by **December 23, 2019**, in order for us to have enough time to order your graduation attire, yearbook, etc. Payment should be by check or money order made out to QMHS (no cash) and brought to Ms. Kenna in the general office. If you have any questions, please do not hesitate to speak to Mr. Bausch in room 2001.

There are four Senior Dues Packages being offered this year, the **Bronze Package**, **Silver Package**, **Gold Package** and **Platinum Package**. Please review the activities, fees and dates included in each package option and the associated cost. Prompt payment is essential to plan accordingly and allow your child to participate fully in senior activities.

*****Packages do not include the cost of our Senior Trip, which will be planned separately.***

There are **NO REFUNDS FOR ANY REASON** including being ineligible to participate in any of the activities.

Only the **PLATINUM & SILVER** packages include the 2020 senior yearbook and will only be available to purchase until December 23, 2019. **STUDENTS WILL NOT BE ABLE TO PURCHASE A YEARBOOK AFTER THIS DATE.**
